Summary

As we close out another year, we reflect on 2024 with immense pride and gratitude. This year marked a transformative period for our organization as we focused on delivering meaningful, high-impact projects while strengthening our foundation for future growth. By strategically scaling back training sessions, we allocated resources toward larger initiatives, enabling us to maximize our reach and enhance the quality of our programs.

Among the year's key achievements was the successful completion of the Maggie School in the High Atlas region, a critical project supporting education and community resilience following the 2023 earthquake. Our continued support for Syrian children ensured access to essential resources, while our contributions to the Berkane Mosque helped provide a fully equipped and welcoming space for worship and community gathering. In addition, we advanced education initiatives in Casablanca by donating vital school supplies to underserved schools.

This year was also defined by significant organizational milestones. The launch of our new website enhanced our communication, transparency, and outreach efforts, while achieving official ANBI foundation status solidified our commitment to accountability and public benefit. Recognizing the importance of professionalization, we expanded our volunteer team and invested in strategic planning, ensuring the sustainability and efficiency of our operations moving forward.

As we prepare for 2025, we are excited to unveil the projects and initiatives we have been diligently developing. These efforts are designed to build on the successes of 2024 and deepen our impact in the years to come. We extend our heartfelt gratitude to our donors, volunteers, and partners, whose unwavering support continues to empower us to create meaningful, lasting change in the communities we serve. Together, we look forward to a future of continued growth and positive transformation.

Supporting Gaza Aid

Our first donation this year, while not directly tied to our central mission, was a meaningful act of solidarity aimed at supporting the people of Gaza during a time of humanitarian crisis. This contribution reflected our commitment to standing with those in need and providing critical aid when it was most urgently required.

Maggie School Project in the High Atlas Region

One of our most significant achievements this year was the successful completion of the Maggie School project. This initiative stands as a cornerstone of our efforts in 2024, reflecting our unwavering commitment to education and community development. Located in the High Atlas region, the Maggie School was established to provide quality education to an underserved and vulnerable community, addressing a critical gap in resources and opportunities.

Through this project, we not only delivered a safe and supportive learning environment but also laid the groundwork for long-term positive outcomes in the region. The Maggie School represents more than just a building; it is a symbol of hope, resilience, and the transformative power of education. It underscores our dedication to empowering individuals and fostering sustainable change in areas where it is needed most.

This achievement was made possible through the collaboration of our dedicated team, the generosity of our donors, and the resilience of the local community. Together, we have created an enduring impact that will benefit generations to come, reinforcing our vision of creating lasting, meaningful change through education.

Ongoing Support for Syrian Children

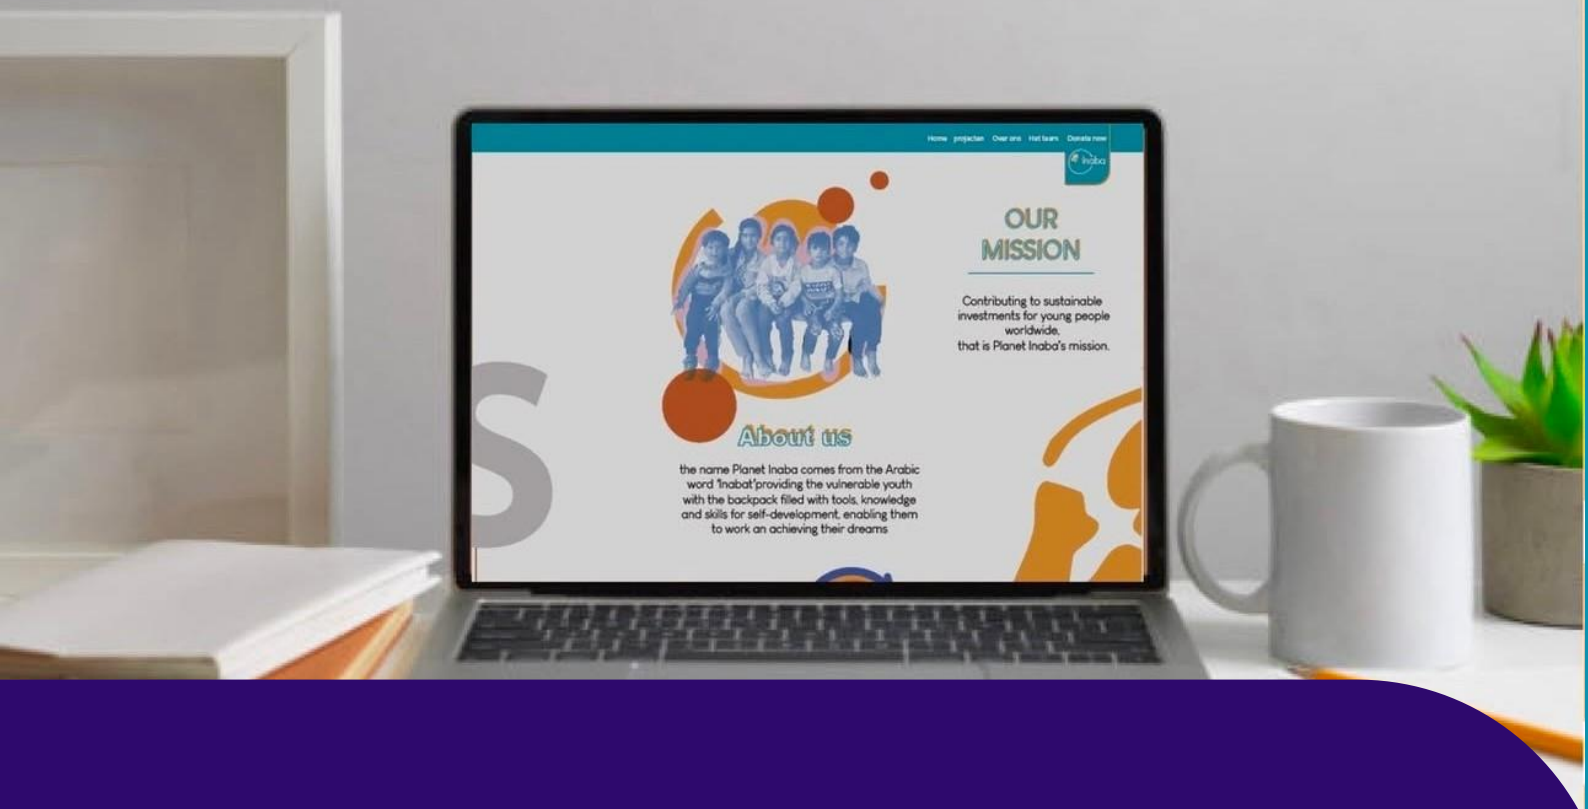

This year marked the third consecutive year of our commitment to supporting the education of the Syrian children, we dedicated resources to provide assistance to those in need. Having successfully completed the final phase of donations for this project, we are now actively seeking potential donors to help continue this vital work. Collaborating closely with partners such as Fatima from Zidni Karam, we have made a meaningful difference in the lives of vulnerable children by delivering hope and essential resources. Fatima will soon share updates and final content for our year-end report, highlighting the impact of these efforts and the ongoing need for support in this area.

Berkane Mosque Completion

The final stages of the mosque's completion in Berkane were supported through a recent contribution, which facilitated the acquisition of essential items such as carpets. This initiative ensured the creation of a welcoming and fully functional space for worship. Rofaida has been integral to the coordination of this project and will provide further updates in the near future.

NEW WEBSITE

New Website Launch

This year, we reached a significant milestone with the launch of our new website. Serving as a central hub, the platform enhances transparency, accessibility, and community engagement while showcasing updates and key project highlights.

ANBI

ANBI Foundation Status

We are proud to announce that our organization has officially achieved ANBI (Public Benefit Organization) foundation status. This prestigious designation not only underscores our commitment to transparency, accountability, and public service but also marks a significant step forward in our organizational growth.

Being recognized as an ANBI foundation affirms our dedication to creating meaningful and lasting impact in the communities we serve. It also enhances our ability to collaborate with donors, partners, and stakeholders by providing additional assurances of our operational integrity and alignment with public benefit objectives. This milestone reflects the hard work and dedication of our team and supporters, and it positions us to expand our reach and effectiveness in delivering impactful initiatives.

School Supplies Donation in Casablanca

This year, we contributed books and a range of essential school supplies to schools in Casablanca, reinforcing our commitment to supporting education and empowering students. This initiative aimed to address resource gaps and provide students with the tools they need to succeed academically. Imaan, who has been closely involved with this project, can provide further details on its implementation and the significant positive impact it has had on the local student community.

THANK YOU!

We sincerely thank our dedicated supporters, donors, and volunteers and ambassadors for their invaluable contributions. Your financial support, time, and efforts have allowed us to assist countless individuals in need. Many of you have made generous donations and offered your skills to directly support initiatives that provide essential resources to those who are less fortunate.

At Planet Inaba, our donors and volunteers are at the heart of our mission, and we are committed to fostering strong and lasting relationships with all of you. Our priority is to ensure that every interaction with Planet Inaba is meaningful and rewarding. We engage with our community through various channels, including our social media platforms, participation in events, and active involvement in our projects. Together, we continue to make a positive impact.
